RYPEN

During an intensive weekend, teenagers tackle a range of challenges that help them deal with the obstacles of everyday life. RYPEN helps young people to become better, more confident versions of themselves.

WHO

- 14 - 17 year olds
- Students who have undeveloped potential
- Students who need a helping hand to develop initiative and responsibility skills

WHAT

- Develop communication skills
- Develop leadership
- Develop self confidence
- Increase motivation
- Increase self image and pride
- Challenge personal boundaries
- Form and understand own values and standards

WHY

- Fills a gap in the youth market supporting those who need it most
- Supports Rotary's commitment to youth
- Provides support and skills to youth who would otherwise not be considered for leadership and growth opportunities
